

STEAMConcept Bootcamp

A collaboration between **TAG-Ed** and **Concept Software, Inc.**, top-tier students who are not matched with companies for TAG-Ed summer internships will have the option to apply for intensive STEAM bootcamps, hosted by Concept Software in Alpharetta.

The Process

- 1** While applying for the TAG-Ed summer internship, students will designate whether they would also like to be considered for a STEAMConcept camp.*
- 2** Students will then fill out a secondary application, with two online portions and an in-person interview.
- 3** Students will receive notification of their application status (both internship and bootcamp) between March and June 2017.

*Choosing to apply to the STEAMConcept camp will not affect your chances of receiving an internship.

**Both courses will be 4 days per week for 4 weeks, from 8:30-12:30 p.m. or 1:00-5:00 p.m.
