Tino J. Mantella Coding Camp - Atlanta, GA

Please read the following carefully:

TAG-Ed is pleased to announce the Tino J. Mantella Coding Camp, a four-week summer camp free of charge for all participants. This camp will select 30 students from local metro-Atlanta high schools to participate in the inaugural coding camp this summer.

In partnership with STEAMSport, Inc and the Technology Association of Georgia, The Tino J. Mantella Coding Camp will provide high-achieving students with basic knowledge of coding concepts, web design, game design, 3D printing, marketing, R&D, and UX and UI design.

If you are interested in participating in this amazing opportunity, please continue on in the application process! The application will close on Thursday, June 15, 2017. You must submit an application prior to this deadline in order to be considered for this summer camp.

Recommendation: The application is available online here: [https://www.tagedonline.org/programs/exploring-stem-careers-pipeline-program](https://www.tagedonline.org/programs/exploring-stem-careers-pipeline-program) Review application and draft all responses in a word document prior to beginning the application. Once a page is submitted online, it cannot be edited, so make sure you are previewing and drafting before beginning!

PLEASE NOTE: If you do not finish this application in one sitting, you will be sent a link to the email you provide below to continue on the page where you leave off. Once you complete a page, you will not be able to return to edit it. **If you get to a page and cannot finish, simply close out of the page without clicking save. When you click the link provided in your email, it will return you to the top of the page where you left off.** Please make sure you are entering your correct email address and do not disregard the email once received so as to avoid duplicate applications.

If you should have any questions, please reach out to Kristina Smith at kristina@tagonline.org

Tino J. Mantella Coding Camp - Atlanta, GA

What To Expect:
This application is in-depth and covers a variety of topics, from personal contact information to academic background to career aspirations. We estimate that application time is anywhere from 45 minutes to 1.5 hours, but applicants are able to stop and continue at a later time. See note below.

NOTE: If you do not finish this application in one sitting, you will be sent a link to the email you provided on the previous page to continue where you leave off. Please do not disregard the email once received.

Get Started (http://www.hireiqinc.com/)
1. What school do you currently attend?

2. Summer camp dates are scheduled for 6/26/17 - 7/21/2017 with no more than 2 absences allowed. Will you be able to attend these camp dates?
   - ☐ Yes
   - ☐ No

3. What is your date of birth? (MM/DD/YY)

4. What is your home phone number? If you do not have a home phone number, please type 'N/A'

5. What is your mobile number? If you do not have a mobile phone number, please type 'N/A'

6. Please provide an email address that you check regularly and will have access to for at least the next 12 months.

7. What is the best way to contact you?
   - ☐ Mobile Phone
   - ☐ Home Phone
   - ☐ Text
   - ☐ Email

8. What is your home address? (Street, Apt. Number, City, State, and Zip Code)
9. Parent or Guardian Name

10. Parent or Guardian Phone Number:

11. Parent or Guardian Email Address:

Submit (http://www.hireiqinc.com/)
1. What grade will you be in September 2017?
   - 10th
   - 11th
   - 12th

2. How would you characterize your academic coursework?
   - Rigorous STEM Track (Multiple AP and Honors level Math and Science)
   - Rigorous General Studies (Honors, IB, AP with a focus other than Math and Science)
   - On Level Math and Science Focus
   - On Level General Studies

3. What is your GPA?
   - Less than 2.5
   - 2.5 to 2.99
   - 3.0 to 3.49
   - 3.5 to 3.89
   - 3.9 or greater

4. How many days of school did you miss last semester?
   - None
   - 1-3 days
   - 4-6 days
   - More than 6 days

5. What plans do you have post high school graduation?
   - 2 Year College/Associates Degree
   - 4 Year College or University
   - Trade School or Technical Training
   - Work/Start own company
   - Gap Year (A break from school/formal education)
1. How many STEM (Science, Technology, Engineering and Mathematics) courses have you taken throughout your high school career, including any you are currently taking?
   - 8 or more
   - 5 to 8
   - 3 to 5
   - Fewer than 3

2. Please list the STEM Courses that you have taken

3. Do you have any experience in coding?
   - Yes
   - No

4. If you answered "Yes" to the previous question, please describe a project you have worked on using these skills.
   If you answered "No" to the previous question, please type 'N/A'

5. In 250 words or less, tell me about a problem/issue/concern that currently exists in your school, home, or community. How could you address this problem using STEM (Science, Technology, Engineering, and Mathematics) concepts?
Tino J. Mantella Coding Camp - Atlanta, GA

1. Please describe any extracurricular activities you participate in and any leadership positions you may hold within them. Include dates/times for when you participated in each extracurricular activity (Example: High School Marching Band, August 2015 - January 2017, Drum Major)

2. Which of these extracurricular activities has had the most significant impact on you and why?

3. Please list any volunteer experiences you have had, including timeframe and role. (Example: Atlanta Humane Society, 12 hrs/month starting in summer 2016, Dog Groomer)

4. Which of these volunteer or work activities have had the most significant impact on you and why?

5. Tell us about your proudest moment in approximately 250 words.

EEOC Survey

Please provide us with the following information about yourself. We collect this information to comply with government record keeping requirements, and to conduct on-going research about our hiring practices to ensure equal employment opportunity. Providing this information is voluntary. The information will not be used to make hiring decisions, and it will not be associated with your results on the assessments. If you prefer not to answer these questions, please select the "Prefer not to answer" option.

1. Racial / Ethnic Background Choose only one of the following)
   - Hispanic or Latino
   - White (Not Hispanic or Latino)
   - Black or African American (Not Hispanic or Latino)
   - Asian (Not Hispanic or Latino)
   - Native Hawaiian or Other Pacific Islander (Not Hispanic or Latino)
   - American Indian or Alaska Native (Not Hispanic or Latino)
   - Prefer not to answer

2. Gender
   - Male
   - Female
   - Prefer not to answer

Submit
Please be prepared to give thoughtful responses, as they will be recorded, reviewed and shared to assist the selection process.

To get started, scroll down and enter your phone number.

Get Started

1. Think back to a situation in your life where you had to decide between taking a risk and playing it safe. Which choice did you make? What was the outcome of your choice? If you could re-live this experience, would you make the same decision again or would you make a different one?

2. Please record what is commonly referred to as your “Elevator Pitch”. An Elevator Pitch is a short summary to quickly and simply tell us who you are, what you have done and why you want to participate in the Atlanta BridgeCommunity Coding and Entrepreneur Camp. It is called an Elevator Pitch because you should be succinct and focused enough to provide all this information in the amount of time it takes to ride an elevator, typically 45-60 seconds.
