

Tell Your Story

A TAG-Ed Summer Internship Scholarship Competition

TAG-Ed summer interns - we want to be included in your internship experience! It's time to reflect and communicate how your TAG-Ed summer internship has impacted your education, career choice, and other aspects of your life and future. The Tell Your Story competition is a unique video competition documenting your journey as a summer intern. Scholarship awards will be given to the interns with the most genuine, impactful, and inspiring video entries. Post-secondary scholarships will be awarded at The Horizon Awards, August 7th. By participating in this competition and sharing your experiences, you will help TAG-Ed tell *its* story. This will help TAG-Ed to encourage more companies to support our initiative of hosting summer interns and promoting workforce development in Georgia. Interns are **strongly** encouraged to enter this competition.

The following describes the video entries that can be submitted – the deadline for entries is **July 20, 2018 at 5pm:**
