- Please record what is commonly referred to as your “Elevator Pitch.” An Elevator Pitch is a short summary to quickly and simply explain who you are, what you have done and what you are looking for. It is called an Elevator Pitch because you should be succinct and focused enough to provide all this information in the amount of time it takes to ride an elevator, typically 45-60 seconds, a minute and a half at the most. (Helpful tip: Google examples of Elevator pitches before starting!)
